#### FY23 Supply Corps Reserve Component Captain Selections

Congratulations to the following Supply Corps officers selected for promotion to the rank of Captain.

Achieving the rank of Captain is a testimony to the continued trust and confidence the Navy and Supply Corps are placing in you to lead our Sailors, officers and civilians. At this next level of senior leadership, our expectations of the talents that you bring to an increasingly complex fight are even higher. You will be at the forefront of our Navy's efforts to compete and win in the maritime domain, and I expect nothing less than the highest levels of integrity, accountability, initiative and toughness in all you do.
