Congratulations to the following Supply Corps officers selected for promotion to the rank of Commander. Achieving the rank of Commander is a testimony to the continued trust and confidence the Navy and Supply Corps are placing in you to lead our Sailors, officers, and civilians. You are at the forefront of our Navy's efforts supporting the National Defense and Military Strategy. I expect nothing less than the highest levels of integrity, accountability, initiative, and toughness in all you do. Well done and keep charging!
