

**Oakleaf Cruise UNFORGETTABLE DOURO
3-13 August 2018**

Presented by U.S. Navy Supply Corps Foundation and Scenic Luxury Cruises & Tours

Join us for an eleven day cruise on the number one river cruising destination ... Douro River in Portugal.

After two highly successful and enjoyable European river cruises, the Foundation is excited to offer a third cruise - exploring the Douro River in Portugal. This eleven day cruise will begin on 3 August 2018, in Porto, Portugal, cruise along the breathtaking Douro River to Vega de Terron and return to Porto on 13 August 2018.

Douro River, Portugal

We are pleased to be partnering again with Scenic for this extraordinary opportunity to take in the Douro vistas of vineyards and wineries, experience the Portuguese culture, enjoy old and new friendships and partake of the wonderful shipboard amenities ... all while being pampered by the Scenic staff! All who have traveled with Scenic know this will be an amazing cruise.

We will be on board the 5-star Scenic Azure, launched in 2016. It is the only Scenic ship to sail the Douro and provide an 11-day cruise. It was designed specifically to negotiate the meandering flow of the majestic Douro River where Scenic has private docking locations. Featuring only 48 cabins for 96 passengers, it has a 1:3 crew-to-guest ratio. Each cabin is designed to provide the ultimate in luxury and comfort, with most cabins featuring a Scenic Sun Lounge. Azure amenities include a pool, four dining experiences, all-weather Sun Deck, fitness center, wellness center, public lounge and entertainment areas.
