Dear Navy Supply Corps Foundation Members,

Veterans Day is an opportunity to recognize and honor the selfless men and women who have served our country. The Navy Supply Corps Foundation is continuing that tradition of service across our spectrum of programs. Just as serving in our military makes you a veteran, wearing the Supply Corps Oakleaf makes you a member of the Foundation. Whether transitioning out of the Navy or moving to a new base, with 35 chapters around the globe, the Foundation offers resources and support to our members and their families.

Through sponsored displays on the USS Midway, USS Iowa, USS North Carolina, USS Wisconsin and USS Intrepid ship museums, the Foundation shares the rich history of our Supply Corps. These displays inform the public about the important role of the Corps in support of the Navy's mission and our country's defense.

From our scholarship program for university, community college and trade schools, including memorial scholarships for the children of Supply Corps officers who died on active duty, to assistance for families in crisis through our Family Aid and Support Team (FAST), the Foundation is committed to engage and support our members and their families throughout every stage of their lives.

Making the decision to serve our country in the military is a unique bond we share and demonstrates a willingness to put service above self. There is no greater gift than to give back to our Supply Corps community. Your donation to the Foundation will allow us to grow our programs and outreach to "take care of our own". Thank you for your service and for supporting your Foundation.

Sincerely,

Linda J. Bird
