

## Chapter Spotlight: Southwest Asia

By CDR Jetta Dillon, SC, USN, Southwest Asia Chapter President

On February 23rd, the Navy Supply Corps Foundation - Southwest Asia Chapter (NSCF-SWAC) members celebrated the Supply Corps 226th Birthday while adhering to COVID mitigation protocols. The elaborate cupcake cake was even wearing a mask! Chapter President, CDR **Jeretta "Jetta" Dillon**, presided over the festive event held in front of NAVSUP Fleet Logistics Center (FLC) Bahrain. Before everyone took their individual cupcakes, CDR Dillon spoke about the diversity of the Supply Corps Community, represented by members from the Active Duty, Selective Reserves, and Full Time Support elements participating in the festivities. This was the first in-person Chapter event held in over a year! Future community service and social events are expected to resume as conditions improve.
