

Memorial Scholarships

Taking Care of Our Own” is a significant part of the mission of the Navy Supply Corps Foundation. One of the ways we do this for each other is through our Memorial Scholarship fund, which provides college tuition assistance for the minor children of Supply Corps officers who die while on Active Duty.

The Foundation contributes \$20,000.00 to establish a scholarship fund for each of the minor children of a Supply Corps Officer who dies while on Active Duty. The scholarship fund is maintained as a restricted account within our corpus and is available for disbursement when the child is ready to attend college. The fund is also set up so that individuals can contribute to the fund.

The program applies to Active Duty Supply Corps Officers, any Reserve Supply Corps Officer in the following categories: Mobilization, Active Duty for Special Work (ADSW), Active Duty for Training (ADT), Annual Training (AT) and Inactive Duty for Training (IDT).

If you wish to contribute to one of the Navy Supply Corps Foundation Memorial Scholarship funds, please donate **online** and **annotate the name of the child or Memorial Scholarships in the designation box at the bottom.**

To donate by check, please make a check payable to the Navy Supply Corps Foundation, annotate the name of the memorial fund in the memo section of the check, and mail to:
